

I NEED BENEFITS

If you were working before your brain injury, contact your employer's human resources/personnel department for advice regarding your employer's disability plan, eligibility for state disability (SDI), or Social Security benefits (SSDI, SSI) **and/or**

If you have a medical provider or received rehabilitation, contact your medical provider or the case manager/social worker at the rehabilitation center for assistance in obtaining benefits **and/or**

Go to [Disability Benefits](#) on the [Social Security](#) website.

If you have additional needs, return to "[*I have been diagnosed with a brain injury*](#)**," or "**[*I am helping someone whose life has been affected by brain injury*](#)**"**

OR select the "go back one page" feature.
